ONTARIO
DEPARTMENT OF AGRICULTURE
OFFICE OF THE MINISTER

Toronto, December 23, 1918.

My Dear Sir Robert,-

I have an appointment on Friday afternoon with a deputation from the Faculty of the Ontario Agricultural College to discuss the salary question. I should be glad if you could forward me before that time any information as to the scale of salaries paid at Toronto University and affiliated institutions, together with increases or bonuses which have been paid or arranged for during the past few years. Thanking you in anticipation, I am,

Yours very truly,

Geo. Henry
Minister of Agriculture.

Sir Robert Falconer,
University of Toronto,
Toronto.

December 21th, 1918.

Honourable G. S. Henry,

Department of Agriculture,

Parliament Buildings, Toronto.

My Dear Mr. Henry:

The scale of salaries which have held at the University of Toronto, including University College, for the last eleven years has been as follows:

Fellow	$500 - $600
Demonstrator	800 - 1100
Lecturer	1200 - 2000

All of these above re-appointments are made go up with annual increments of $100.

Assistant Professor	2100 - 2500
Associate Professor	2500 - 3200
Full Professor	3200 - 3600 or 3800.

In all these cases also annual increments of $100 are made on recommendation of the President.

About half a dozen professors get $4000 and three get $5000.

There has been no change in the scale of salaries for this period apart from the statutory increases, but last July a bonus of 10% was given to everyone in the University.

I cannot tell you the scale in Victoria and Trinity Colleges.

Wishing you the compliments of the season, I am,

Yours sincerely,

President.

June 7th, 1919

The Honourable W. C. Henry,

Department of Agriculture,

Toronto.

Dear Mr. Henry:

I have received your letter stating that your Department will undertake to reimburse the University for any expense incurred by the University in holding examinations for admission to the Veterinary College. I have instructed the Registrar to take a note of this and to have the machinery put into motion as to these examinations.
